

## **What is a Certified QuickBooks ProAdvisor?**

Certified QuickBooks ProAdvisors are independent CPA's, accountants, bookkeepers, computer consultants and trainers who work with small businesses and who have completed a rigorous and comprehensive QuickBooks curriculum developed by Intuit ®. They understand the challenges you face and can offer guidance on everything from complex accounting questions and payroll interpretation to mastering advanced features of QuickBooks. ProAdvisors have taken a 3-part QuickBooks Certification course and have successfully completed comprehensive testing.
